

The “**SUNAO-IRO**”, translated into “purity color”, was our first ink color collection released under TACCIA brand. The 13 different colors are very unique, the Japanese title (one word) per color and the illustration on the package overlap the image of each ink’s color.

Mini Bottle 3 PCS Set for Sunao-iro ink released!

Basic Blue Color Series 3 PCS A Set

Atmospheric Austerly Elegant Color 3 PCS B Set

Sweet Color Tone 3 PCS C Set

Now, 9 of 13 colors in total were carefully selected and released as “Mini Bottle 3 PCS Set”. These 9 colors are universal color tones but very unique color respectively. For water painting brush, the ink stretches well on the paper and hue change controlled. The Sunao-iro inks are just suitable for an illustration by fountain pen.
