

TATEDASHI

Storage Box dedicated to long and slender items.

For those who would like to sort out assorted necessary articles around you.

- * The partition inside the box protects your items from fallen and helps you find them, take them and put them back easily.
- * Recommend to store stationery, cosmetic and medical supplies.
- * The box closes tightly with a magnet.

The drawer keeps your longer or slender stationery and cosmetic items standing such as pen, ruler, eye liner, mascara etc. Storage some big item without the partition.

Stationery --- Stock many quantities!

Cosmetic --- Easy to find your cosmetic item!

Medical supplies --- Keep thermometer and ointment together!
