TACCIA, born in California, is the brand for elegant and distinguished writing instruments.

## Selected **URUSHI** Fountain Pen

The collaboration with 「**Ukiyo-e ink**」, the best-seller ink in TACCIA collection duplicating **Japanese popular color in the 17<sup>th</sup> century** represented by Japanese art “**UKIYO-E**”.

Each color of the fountain pen is associated with the color of each ink, for example, Blue Pen was made with the Blue Ink “Koi-Ai, Red Pen was made with the Red ink Beni-Tsuchi and Green Pen was made with Sabi-Midori (Green). The one wooden box contains one fountain pen and one ink with one post card (Japanese UKIYO-E greeting card).
