

## TACCIA®

TACCIA, born in California, is the brand for elegant and distinguished writing instruments.

### Spectrum

Make a statement with the bold, saturated colors of the TACCIA Spectrum Collection.

A stunning form, with translucence to display the mechanisms within. The final concept sprung to life during our observations of a prism, with light splitting into a beautiful celebration of color. Each Spectrum piece has been expertly molded for comfort and curve, and comes fitted with our precision-designed Japanese TACCIA nibs, or our reliable twist ballpoint.
